#### Notes/Sources

\* 3-Year Range of 2006-2008

(X) Department of Health Number; APN Calculation

(1) NYS = New York State. HP = Healthy People 2010 Objectives.

(2) "Tobacco use" among NYC pregnant women is underreported according to NYS DOH and contributes to underreported New York State.

(3) MA Paid Births are calculated based on VS data at time of birth. Adjustments of eligibility may change after birth.

(4) CHP A = TANF & Safety Net Children for MA & MA with Substistences ages 0-21.

(5) All insurance programs data alligned to match most recent CHP A data.

(6) All 5 boroughs of NYC (Bronx, Kings, New York, Queens Richmond.)

(7) Department of Health #, %, Rates.

**Red Data** = Does not meet the Healthy People 2010 Objectives.
